St. Augustine, FL 7.31.23 - Get ready for a gaming experience like no other! We Have Goats, the uproarious board game that combines strategic decision-making with unpredictable chaos, is launching on Kickstarter on August 29, 2023.

In We Have Goats, players embark on a whimsical adventure where their victory is entirely unique every time they play. By creating different pathways and making strategic decisions, no two games are ever the same! With the inclusion of Zombie Kitties, Chupacabrasauruses, and unpredictable Goat-Astrophes, players will be laughing, strategizing, and dealing with unexpected twists and turns throughout the game.

We Have Goats stands out in the crowded board game market by delivering a gaming experience that is both hilarious and strategic. We wanted to create a game that not only brings people together but also keeps them on the edge of their seats with its witty gameplay and unpredictable elements. With We Have Goats, players have the freedom to carve their own path to victory and create memorable moments with friends and family.
